

MAGNETIC SEPARATOR WITH AUTOMATIC CLEANING MSS-AC WORM

**INNOVATION
IN ACTION**

The MSS-AC WORM protects your injection molding machine, nozzles, and mold from metal contaminants in the granules.

Cleaning takes place automatically at set intervals without interrupting production and without operator intervention.

Automatic magnetic separation at the lowest price on the market

RELIABILITY

Separation even when fully loaded

CONSTRUCTION

Reinforced body under the hopper

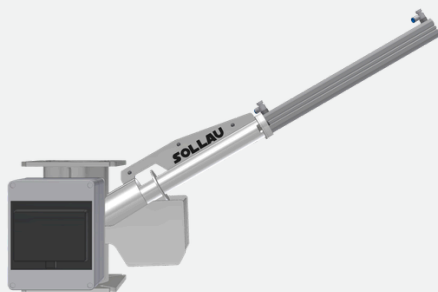

CLEANING

Interval 1 minute to 10 hours

PRICE

Lowest in the automatic separator category
